AT SYNERGIZE, OUR MISSION

is to foster **meaningful connections** and **personal growth** through engaging events and meetups. Our events are designed to help members, guests and sponsors create close friendships, build knowledge and new skills, and enjoy a fun experience. These events include social gatherings, workshops, skill-building sessions and impact driven events. We regularly organize these events to ensure that there is always something exciting happening. Whether you're a new member and looking to get involved or a long-time member seeking fresh experiences, our diverse event list has something for everyone. At Synergize, we create events that foster friendships, build knowledge and provide fun experiences. Join us and discover the perfect event to connect and grow.

THE SYNERGIZE EXPERIENCE

The **Synergize Experience** is a large-scale social monthly event! The Synergize Experience is an opportunity for you to join other members and do life together for a few hours a month. At the experience, the Synergize team will discuss upcoming Synergize events and share new things that are coming to the organization. This event was created to give everyone, members & nonmembers, a fun, easy way to experience Synergize! If you know someone who needs community, bring them to the Synergize Experience!!
